Choosing the right (or wrong) articles to work on can make (or break) a Wikipedia writing assignment. Some articles may initially look easy to improve, but quality references to expand them may be difficult to find.

How will your class select articles?

**Professor provides list**
Donec parturient ridiculus primis suspenesd disse laoreet at platea a amet sociosqu idac sit quister adelis platea a amet sociosque.

**Student finds article**
Donec parturient ridiculus primis suspenesd disse laoreet at platea a amet sociosqu idac sit quister adelis platea a amet sociosque.
