*Title

HotCat shortcut replaced

*Description

Screenshot showing the state of [[Help:Gadget-HotCat]] after the user clicked "OK" in [[:File:HotCat shortcut.png]]. The user has defined a shortcut "pnc" to be replaced by "Paintings not categorised by year". If the user now clicked "Save", HotCat would insert the [[:Category:Paintings not categorised by year]], although the user just entered "#pnc". HotCat has automatically replaced that shortcut.
