Place the Pre-printed Return Service (RS) label on the package for return.

Package defective part in original static protection bag/foam and re-use original Juniper Networks packaging.

Please ensure that the RMA number is clearly written and visible on the outside of the shipping container / box.

Contact UPS at 1-800-PICK-UPS for pickup and shipment of the returned item.

Juniper Networks has a 10 business day returns policy, if there are any issues or delays in returning the items within 10 business days, please contact Asset Recovery at 1-866-224-6192 or asset-recovery@juniper.net.
