

Create a template

```
testmafia  
{{testmafia  
| id =  
| value =  
| year =  
}}
```

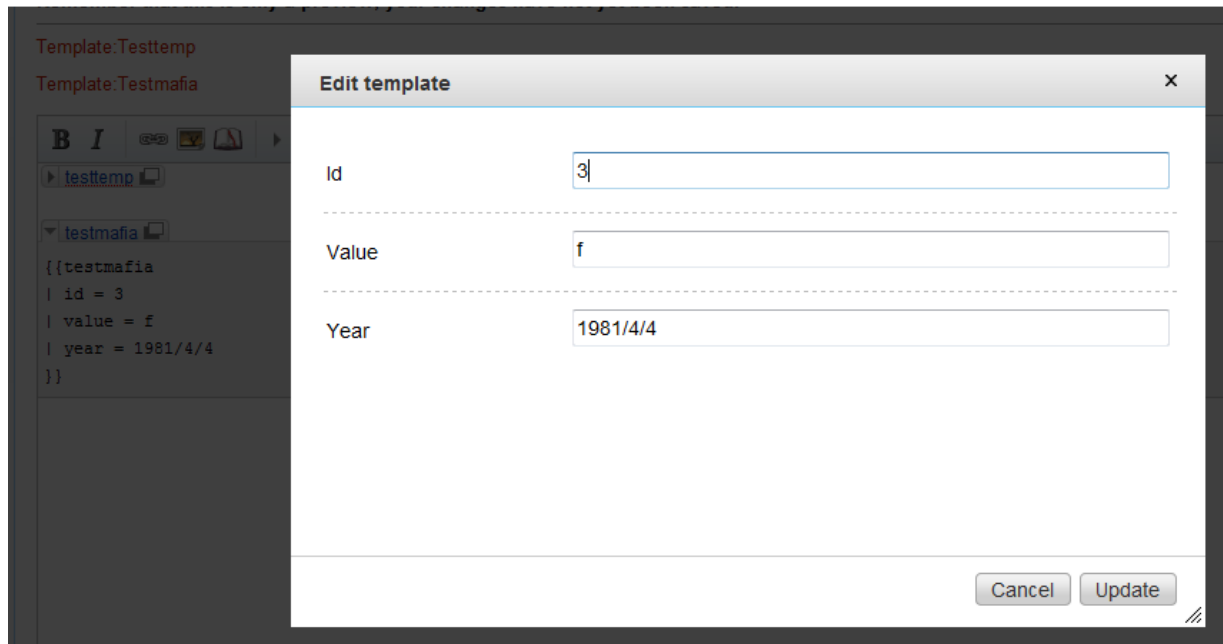

So the dialog will be like below

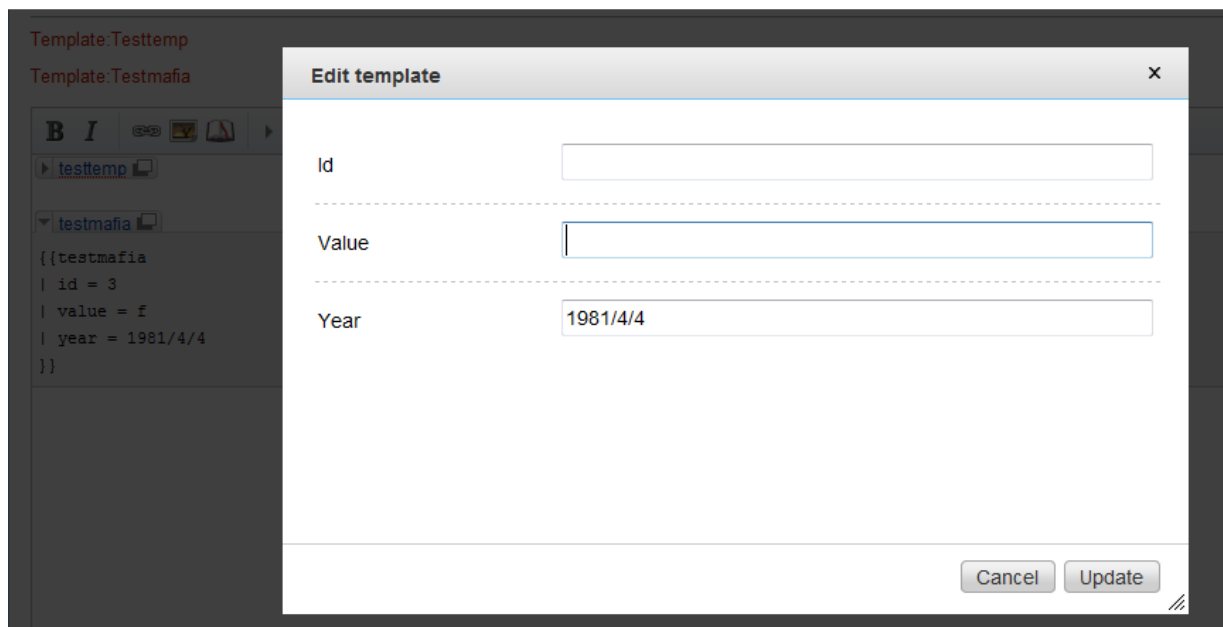

Enter some values for the parameters

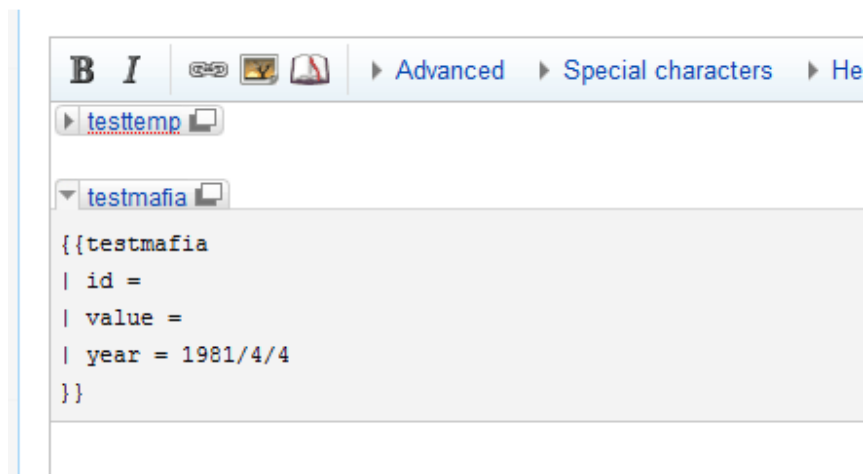

```
testmafia  
{{testmafia  
| id = 3  
| value = f  
| year = 1981/4/4  
}}
```

So the dialog will be as below

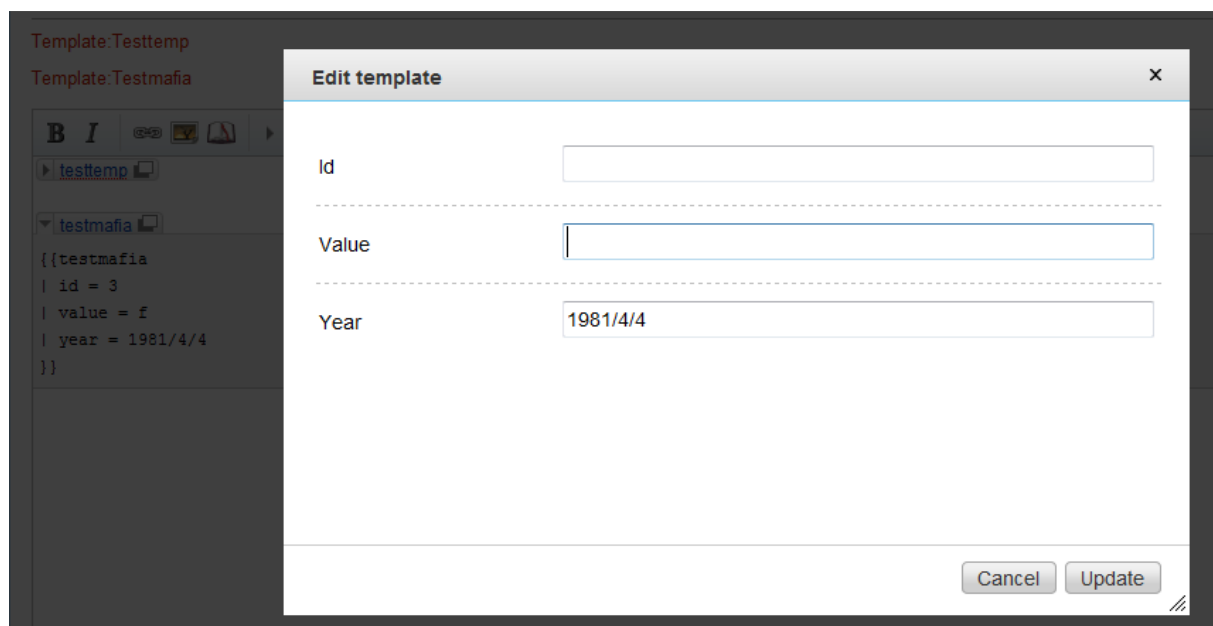

Remove the value of id and value parameter and update

Click on dialog box again

After preview the page it shows as below

Template:Testtemp
Template:Testmafia
Template:Testtest

B I    

testtemp 

testmafia 

```
{{testmafia
| id =
| value =
| year = 1981/4/4
}}
```

Edit template
