

Edit a page with long content and Go to the end of the page. Insert a table

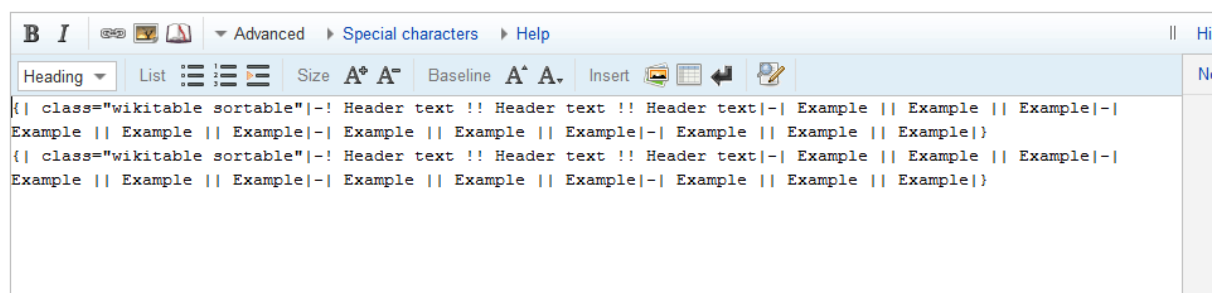

Enter two/more spaces at the end of the last } of the table and insert another table with sorting option

```
{| class="wikitable"
|-
! Header text !! Header text !! Header text
|-
| Example || Example || Example
|-
| Example || Example || Example
|-
| Example || Example || Example
|-
| Example || Example || Example
|}

{| class="wikitable sortable"
|-
! Header text !! Header text !! Header text
|-
| Example || Example || Example
|-
| Example || Example || Example
|-
| Example || Example || Example
|-
| Example || Example || Example
|}
```

Copy the class="wikitable sortable" and paste in the previous table class section .

```
{| class="wikitable sortable"|-! Header text !! Header text !! Header text|-| Example || Example || Example|-| Example || Example || Example|-| Example || Example || Example|}
{| class="wikitable sortable"|-! Header text !! Header text !! Header text|-| Example || Example || Example|-| Example || Example || Example|-| Example || Example || Example|}
```
